Mr. E. B. Poole,  
Business Manager  
Va. Union University  
Richmond, Virginia

Dear Mr. Poole:

You may have heard by now the Eagles are playing in Richmond this coming Sunday, August 9. I would like you to accomodate the team on the campus for Sunday night.

The reason I did not write you sooner, I wanted to stay in Richmond Saturday night also, but to date I have not been able to find if there is a short-cut from Milford, Delaware, where we are playing a night game Saturday, to Richmond. If there is a Ferry where we could cross directly over we would like to stay on the campus grounds Saturday night also.

If I find, after reaching Milford, that it is possible to get to Richmond conveniently, I will wire you and will greatly appreciate your accomodating the ball club. We will definitely stay in Richmond after the game Sunday.

Very truly yours,
